

10/23/00

Dear Uncle Harold and Aunt Cil,
We hope this letter finds you both well.
Alexi and I have been very busy with school
and work. We are both in good health.
Alexi is advancing into a blue belt in
karate and is developing a very nice
musculature (tough as steel). I can't
remember if I sent you a picture of the
"Siblings" from when we were up last, even
so, you can never have too many. Stay
well and warm. We hope to make it to
the "Northwest" soon. We love you and
you are often in our thoughts.

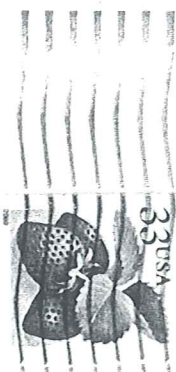

Love,
Jim & Alexi
